

D-4-

Oct. 5th (Sunday) 2014

Venue

4F, United Medical Building (Front Building) Taipei Medical University

臺北醫學大學醫學綜合大樓前棟4樓 圓形會議室(誠樸廳)

## NACTOR ALCOHOLIS

- 1. Cerebral Stroke Imaging and Management
- 2. Cerebrovascular disease
- 3. Neuro-intervention of cerebral stroke and cerebrovascular disease

## Agenda

09:00-09:05	Opening		
	Speaker	Prof. Hung-Yi Chiou, Vice President of Taipei Medical University	
09:05-09:10	Welcome		
	Speaker	Prof. Wan-Yuo Guo, President, The Radiological Society of the Republic of China	
09:10-09:40	Functional neuroimaging in brain plasticity after cerebral stroke		
	Speaker	<b>Prof. Steven L. Small (Neurologist, USA),</b> Chairman, Department of Neurology,UC Irvine Medical Center	
	Moderator	Prof. Han-Hwa Hu, Taipei Medical University	
09:45-10:15	Recent adva	inces in acute stroke imaging	
	Speaker	<b>Prof. Kei Yamada (Radiologist, Japan),</b> Chair, Department of Radiology, Kyoto Prefectural University of Medicine	
	Moderator	Prof. Sandy Cheng-Yu Chen, Taipei Medical University	
10:20-10:35	Tea Break		
		Secsion 1 - Managements of Carebrayassular disease	
		—— Session 1 : Managements of Cerebrovascular disease ——————————————————————————————————	
10:35-10:55	High perfor	—— Session 1 : Managements of Cerebrovascular disease ——————————————————————————————————	
10:35-10:55	High perfor	_	
10:35-10:55	Speaker	mance computing and imaging of brain networks  Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine	
10:35-10:55 11:00-11:20	Speaker Moderator	mance computing and imaging of brain networks  Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine Medical Center	
	Speaker Moderator	mance computing and imaging of brain networks  Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine  Medical Center  Prof. Yu-Te Wu, National Yang-Ming University	
	Speaker  Moderator  Acute stroke Speaker	mance computing and imaging of brain networks  Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine Medical Center  Prof. Yu-Te Wu, National Yang-Ming University  management: Experience from Taiwan Stroke consortium: focus on the rt-PA issue  Prof. Han-Hwa Hu, Professor, Graduate Institute of Clinical Medicine, Taipei Medical University	
	Speaker  Moderator Acute stroke Speaker  Moderator	Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine Medical Center Prof. Yu-Te Wu, National Yang-Ming University Emanagement: Experience from Taiwan Stroke consortium: focus on the rt-PA issue Prof. Han-Hwa Hu, Professor, Graduate Institute of Clinical Medicine, Taipei Medical University Attending physician, Department of Neurology, Taipei Medical University Hospital	
11:00-11:20	Speaker  Moderator Acute stroke Speaker  Moderator	Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine Medical Center Prof. Yu-Te Wu, National Yang-Ming University management: Experience from Taiwan Stroke consortium: focus on the rt-PA issue Prof. Han-Hwa Hu, Professor, Graduate Institute of Clinical Medicine, Taipei Medical University Attending physician, Department of Neurology, Taipei Medical University Hospital Associate Prof. Rey-Yue Yuan, Taipei Medical University Hospital	
11:00-11:20	Speaker  Moderator Acute stroke Speaker  Moderator Surgical ma Speaker	Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine Medical Center Prof. Yu-Te Wu, National Yang-Ming University management: Experience from Taiwan Stroke consortium: focus on the rt-PA issue Prof. Han-Hwa Hu, Professor, Graduate Institute of Clinical Medicine, Taipei Medical University Attending physician, Department of Neurology, Taipei Medical University Hospital Associate Prof. Rey-Yue Yuan, Taipei Medical University Hospital magement of acute cerebral stroke	
11:00-11:20	Speaker  Moderator Acute stroke Speaker  Moderator Surgical ma Speaker	Prof. Steven L. Small (Neurologist, USA), Chairman, Department of Neurology, UC Irvine Medical Center Prof. Yu-Te Wu, National Yang-Ming University management: Experience from Taiwan Stroke consortium: focus on the rt-PA issue Prof. Han-Hwa Hu, Professor, Graduate Institute of Clinical Medicine, Taipei Medical University Attending physician, Department of Neurology, Taipei Medical University Hospital Associate Prof. Rey-Yue Yuan, Taipei Medical University Hospital magement of acute cerebral stroke Prof. Frank P.K. Hsu (USA), Chair, Department of Neurological Surgery, UC Irvine Medical Center Prof. Yung-Hsiao Chiang, Taipei Medical University Hospital	

13:00-13:20	Cerebral Venous System		
	Speaker	<b>Prof. Fong Y. Tsai (USA),</b> Emeritus Endowed Professor of Imaging Research Center, Taipei Medical University Emeritus Professor of Radiological Sciences, Neurosurgery, Surgery University California at Irvine	
	Moderator	Prof. Michael Mu-Huo Teng, Cheng Hsin General Hospital	
13:25-13:45	Endovascular management of symptomatic intracranial atherosclerotic stenosis at Chang Gung Memorial Hospit		
	Speaker	<b>Prof. Ho-Fai Wong,</b> Chief of Neuroradiology Section, Department of Medical Imaging and Intervention, Chang Gung Memorial Hospital, Linkou	
	Moderator	Prof. Chao-Bao Luo, Taipei Veterans General Hospital	
13:50-14:20	Surgical management of Cerebrovascular disease: New trend		
	Speaker	Prof. Frank P.K. Hsu (USA), Chair, Department of Neurological Surgery, UC Irvine Medical Center	
	Moderator	Prof. Yung-Hsiao Chiang, Taipei Medical University Hospital	

Session 2: Neuro-intervention of cerebral stroke and vascular disease

	Session 3 : Advanced Stroke Neuroimaging ———————————————————————————————————		
14:25-14:45	Acute ischemic stroke MR imaging: Clinical challenges and translational studies		
	Speaker Prof. Sandy Cheng-Yu Chen, Director, Imaging Research Center, Taipei Medical University Chief, Department of Medical Imaging, Taipei Medical University Hospital		
	Moderator Prof. Clayton Chi-Chang Chen, Taichung Veterans General Hospital		
14:50-15:10	Q-space DTI imaging: What and How		
	Speaker Assistant Prof. Koji Sakai (Japan), Lecturer, Department of Human Health Sciences, Graduate School of Medicine, Kyoto University		
	Moderator Prof. Hsiao-Wen Chung, National Taiwan University		
15:15-15:35	Q-space imaging and DKI; clinical application		
	Speaker Prof. Kei Yamada (Radiologist, Japan), Chair, Department of Radiology, Kyoto Prefectural University of Medicine		
	Moderator Assistant Prof. Hung-Wen Kao, Tri-Service General Hospital		
15:40-16:00	MR-PET : A clinical neuroimaging tool		
	Speaker Prof. Edmond Alan Knopp (USA), Executive Vice President of Clinical Operations, Zwanger-Pesiri Radiology, Administrative Offices		
	Moderator Assistant Prof. Wei-Che Lin, Kaohsiung Chang Gung Memorial Hospital		
16:05-16:20	Tea Break		

Session 4	: Ad	vanced	neurovascu	lar imaging

16:20-16:40	Clinical Stroke Imaging: Quo vadis		
	Speaker Prof. Edmond Alan Knopp (USA), Executive Vice President of Clinical Operations, Zwanger-Pesiri Radiology, Administrative Offices		
	Moderator Dr. Kevin, Li-Chun Hsieh, Taipei Medical University Hospital		
16:45-17:05	Flow Quantification and Perfusion Study in Neurovascular Diseases Using DSA		
	Speaker Prof. Wan-Yuo Guo, President, The Radiological Society of the Republic of China		
	Moderator Prof. Ping-Hong Lai, Kaohsiung Veterans General Hospital		
17:10-17:40	Interventional management of cerebral aneurysm		
	Speaker Dr. Kwo-Whei Lee, Chief, Department of Radiology, Changhua Christian Hospital		
	Moderator Prof. Chi-Jen Chen, Taipei Medical University-Shuang Ho Hospital		
17:40-17:50	Closing Remarks , Prof. Fong Y. Tsai
