

2014 International clinical molecular diagnostics symposium

Day 1 Mar. 21, Friday		
08:30~09:00	Registration	16F Lecture Hall*
09:00~09:30	Opening Remarks	16F Lecture Hall
	Yun Yen President / Taipei Medical University	
	Ming-Neng Shiu Vice Minister / Ministry of Health and Welfare	
	Stephen B. Gruber Director / Norris Comprehensive Cancer Center, University of Southern California	
09:30~09:50	Group Photography	Staired Square
	Coffee Break	
	Moderators : Jacqueline Whang-Peng Superintendent / Taipei Cancer Center	16F Lecture Hall
09:50~10:40	Keynote Speaker	
	Dr. Edmond Lemire Professor and Head / Medical Genetics Division, Department of Pediatrics, College of Medicine, University of Saskatchewan DNA Testing: Benefits to the Patient and Health Care	
10:40~11:30	Keynote Speaker	
	Dr. Yuan-Tsong Chen Academician / Institute of Biomedical Sciences, Academia Sinica Translating Pharmacogenomics Findings into Clinic: Preventing Severe Drug Hypersensitivity with A Gene Test	
11:30~12:20	Dr. Yi-Ning Su Associate Professor / Gynecology and Obstetrics, School of Medicine, Taipei Medical University Genetic Disorder Screening Update--Application of Next Generation Sequencing in Prenatal Diagnosis	

*1F Lobby, the Back Building of the United Medical Building.
16F Lecture Hall, the Back Building of the United Medical Building.
4F Conference Hall, the Front Building of the United Medical Building.

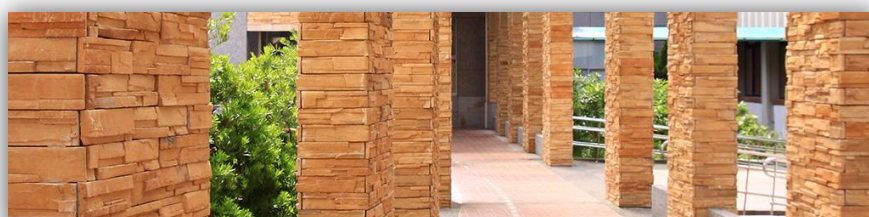

2014 International clinical molecular diagnostics symposium

Day 1			Mar. 21, Friday		
12:20~14:00	Lunch / Vender Seminars		4F Conference Hall*		
	12:40~13:10	CTC Single Cell Isolation and Whole Genome Amplification / Abnova Corporation; Genomics BioSci & Tech Genomics			
	13:10~13:40	Empower Your Clinical Research with Ion Semiconductor Sequencing / Life Technologies			
	Moderators : Winston C. Y. Yu Investigator / National Institute of Cancer Research, National Health Research Institutes, Taiwan		16F Lecture Hall		
14:00~14:50	Dr. David Ann Professor / Department of Clinical and Molecular Pharmacology, Beckman Research Institute, City of Hope From ASS1 Deficiency to Mitochondriotropic Therapy: A Translational Study				
14:50~15:40	Dr. Tsuo-Hung Lan Associate Professor/ School of Medicine, Faculty of Medicine, National Yang-Ming University NIRS as Bio-signatures in Translational Psychiatry.				
15:40~16:00	Coffee Break				
16:00~16:50	Dr. Dau-Ming Niu Director/Rare Disease Medical Research Center, Taipei Veterans General Hospital Current Studies of Fabry Disease in Taiwan – A Rare				
16:50~17:40	Dr. Ya-Wen Cheng Director / The Ph. D. Program for Cancer Biology and Drug Discovery, Taipei Medical University HPV Involved Drug Resistant of Lung Cancer				

*1F Lobby, the Back Building of the United Medical Building.

16F Lecture Hall, the Back Building of the United Medical Building.

4F Conference Hall, the Front Building of the United Medical Building.

2014 International clinical molecular diagnostics symposium

Day 2		Mar. 22, Saturday	
08:30~08:50	Registration	16F Lecture Hall	
	Moderators : Chih-Hsiung Wu Superintendent / Shuang Ho Hospital, Ministry of Health and Welfare	16F Lecture Hall	
08:50~09:40	Keynote Speaker		
	Dr. Stephen B. Gruber Director / Norris Comprehensive Cancer Center, University of Southern California		
09:40~10:30	Dr. Yun Yen President / Taipei Medical University Genome Medicine in Cancer Management.		
10:30~10:50	Coffee Break		
10:50~11:40	Dr. Chin-Yuan Tzen Director/ Department of Pathology and Laboratory Medicine, Cathay General Hospital Characterization of KIT mutation in melanoma		
11:40~12:30	Dr. Sung-Liang Yu Associate Professor / Department of Clinical Laboratory Sciences and Medical Biotechnology, National Taiwan University Development of Personalized Medicine: Taiwan Experience		

*1F Lobby, the Back Building of the United Medical Building.

16F Lecture Hall, the Back Building of the United Medical Building.

4F Conference Hall, the Front Building of the United Medical Building.

2014 International clinical molecular diagnostics symposium

Day 2		Mar. 22, Saturday	
12:30~14:00	Lunch / Vender Seminars		4F Conference Hall
	12:40~13:10	Recent Advances in Sequencing Technologies / Illumina inc	
	13:10~13:40	Pyrosequencing – Optimize Your Usage of A Powerful Tool in Personalized Healthcare / QIAGEN Taiwan	
	Moderators : Ya-Wen Cheng Director / The Ph. D. program for cancer biology and drug discovery		16F Lecture Hall
14:00~14:50	Dr. Reen Wu Professor / Department of Internal Medicine, University of California at Davis, USA Suppressions of Lung Cancer Malignancy and PI3K/AKT Pathway, What Do They Have in Common?		
14:50~15:40	Dr. Hsin-An Hou Assistant Professor / Division of Hematology, Department of Internal Medicine, National Taiwan University Hospital Integration of Molecular Genetic alterations in Risk Stratification of De Novo Acute Myeloid Leukemia Patients		
15:40~16:00	Coffee Break		
16:00~16:50	Dr. Wei-Chiao Chang Director / Master Program for Clinical Pharmacogenomics and Pharmacoproteomics, Taipei Medical University Functional Role of Store-Operated Calcium Channel in Human Diseases		
16:50~17:30	Best Poster Award Ceremony Award Presenter : President Yun Yen Closing Remarks		
17:30~18:00	Certificate Received		1F Lobby

*1F Lobby, the Back Building of the United Medical Building.
16F Lecture Hall, the Back Building of the United Medical Building.
4F Conference Hall, the Front Building of the United Medical Building.
