# C.-M. Lo

Ph.D.

Associate Professor
Graduate Institute of Biomedical Informatics
Taipei Medical University

E-mail: buddylo@tmu.edu.tw

Experiment

Graduate Institute of Biomedical Informatics, Taipei Medical University	Associate Professor
Graduate Institute of Biomedical Informatics, Taipei Medical University	Assistant Professor
Department of Computer Science and Information Engineering, National Taipei University	Adjunct Assistant Professor
Department of Computer Science and Information Engineering, National Taiwan University	Postdoctoral Researcher

Brief Introduction

Chung-Ming Lo was born in Taipei, Taiwan. He received his Ph.D. (2013) at the Department of Computer Science and Information Engineering from National Taiwan University at Taipei. He was an R&D engineer between 2003~2008 and was a postdoctoral fellow at National Taiwan University between 2013~2015. Currently, he is an Associate Professor of Graduate Institute of Biomedical Informatics, Taipei Medical University and Clinical Big Data Research Center, Taipei Medical University Hospital. He is also an Adjunct Associate Professor of Department of Computer Science and Information Engineering, National Taipei University. His research interests includes artificial intelligence diagnosis, medical image processing, and computer-aided detection. He has authored invited book chapters, patents, and journal papers on these topics and served as the editor of PLOS ONE and the reviewer of more than 25 SCI journals such as IEEE Transactions on Medical Imaging.

Publications(2017~2016)
