

**STANDARD FORMAT CURRICULUM VITAE FOR
CLEVELAND CLINIC LERNER COLLEGE OF MEDICINE**

Update DATE: 9/16/2018

PERSONAL INFORMATION

Name: Chueh, *Jeff* ShihChieh
Born : Oct., 13, 1963
Place of Birth: Taiwan

Education

School: Taipei Medical University, Taipei, Taiwan.
Degree: M.D. (Doctor of Medicine)
Dates: (Sept. 1982- June 1989, a combination of undergraduate pre-med BA & graduate MD program)

Post-Graduate Training

Institution: National Taiwan University Hospital, No.7, Chung-Shan South Road, Taipei, Taiwan
Position: PGY1~ PGY5 (R1~ Chief Resident; Urology Residency Training)
Dates: July 1989 – June 1994

Institution: UT-Houston Health Science Center, Hermann Memorial Hospital, 6431 Fannin Street, Houston, Tx, 77030
Position: Clinical Fellow in Kidney Transplantation (Director: Barry D. Kahan, PhD, MD.; Current Director: Charles T. vanBuren)
Dates: Jan. 1996 – May 1997

Ph.D. Thesis

Title: Pharmacological Study on Human Benign Hyperplastic Prostate: mechanism evaluation of novel α_{1A} - adrenoceptor antagonists and modulation of proliferation of human prostatic smooth muscle cells
Ph.D. Thesis Committee: Prof. Che-Ming Teng, Prof. Ming-Kuen Lai, Prof. Mao-Hsiung Yen, Prof. Ming-Yang Lai, Prof. Da-Shong Yu, Prof. Shoei K. Stephen Huang, Prof. Jun Chen
School: Postgraduate Institute of Clinical Medicine, College of Medicine, National Taiwan University, Taipei, Taiwan.
Degree: Ph.D. (Doctor of Philosophy)
Dates: 1993-2002

Contact Information

Office Address: 9500 Euclid Ave., Cleveland, Ohio 44 195, mail code Q10-1

Office Phone: (440) 695-4260

Cell: (216) 312-4212

Beeper: CCF V2163124212

E-mail-1: CHUEHS@ccf.org

E-mail-2: jeffchueh@gmail.com

Facsimile: (440) 695-4619

Other (optional)

Home Address:

Marital Status: Married, wife: Angela

Children: Yvonne, 24; Eric, 20

Social Security#: optional

PROFESSIONAL APPOINTMENTS (list from most recent to oldest)

Position/Rank: Clinical Professor of Surgery (Urology)

Institution/Department: Cleveland Clinic Lerner College of Medicine, Case Western Reserve University

Dates: Oct, 2009 – present

Position/Rank: Staff Urologist

Institution/Department: Glickman Urological and Kidney Institute/ Department of Regional Urology

Dates: Jan 12, 2009 – present

Position/Rank: Staff

Institution/Department: Transplantation Center, CCF

Dates: Jan 1, 2010 –

Position/Rank: Primary Kidney Transplant Surgeon

Institution/Department: West Virginia CAMC Kidney Transplant Program- affiliated with Glickman Urological and Kidney Institute

Currently still the primary living donor nephrectomy surgeon for CAMC

Dates: Jan 12, 2009 – December 2012

Position/Rank: Adjunct Professor

Institution/Department: National Taiwan University (NTU), Medical College, and NTU Hospital, Department of Urology

Dates: February, 2011– present

Position/Rank: Professor & Adjunct Attending Staff

Institution/Department: National Taiwan University (NTU), Medical College, and NTU Hospital, Department of Urology

Dates: Jan 11, 2009– February, 2011

Position/Rank: Professor & Attending Staff

Institution/Department: National Taiwan University (NTU), Medical College, and NTU Hospital, Department of Urology

Dates: August 1, 2008– Jan 11, 2009

Position/Rank: Associate Professor & Attending Staff

Institution/Department: National Taiwan University, Medical College, and NTU Hospital,
Department of Urology

Dates: August 1, 2003—July 31, 2008

Position/Rank: Assistant Professor & Attending Staff

Institution/Department: National Taiwan University, Medical College, and NTU Hospital,
Department of Urology

Dates: Jan. 1, 2000—July 31, 2003

Position/Rank: Section Head & Attending Staff

Institution/Department: Kidney Transplantation, Lotung Pohai Hospital, LoTung, I-Lan,
Taiwan

Dates: June 1, 1999—Dec. 31, 1999

Position/Rank: Adjunct Assistant Professor & Attending Staff,

Institution/Department: National Taiwan University, Medical College, and NTU Hospital,
Department of Urology

Dates: August 1, 1998— May 31, 1999

Position/Rank: Lecturer & Attending Staff

Institution/Department: National Taiwan University, Medical College, and NTU Hospital,
Department of Urology

Dates: June 1, 1997— July 31, 1998

Position/Rank: Clinical Fellow

Institution/Department: University of Texas—Houston Health Science Center

Dates: Jan 31, 1996— May 30, 1997

Position/Rank: Staff Urologist

Institution/Department: National Taiwan University Hospital, Department of Urology

Dates: July 1, 1994— Jan. 30, 1996

CERTIFICATION AND LICENSURE

Name of Board: **West Virginia Medical Board**

Date of Certificate: 11/10/2008

Licensure State/Number: **West Virginia Medical License/ License No. 00001**

Date Issued: 11/10/2008 (renewal in 2018; *effective to 6/30/2020*)

Name of Board: **The Ohio State Medical Board**

Date of Certificate: 10/3/2011

Licensure State/Number: **Ohio Medical License/ License No. 35. 098090**

Date Issued: 10/3/2011 (*renewal in 2013; effective to 4/1/2019*)

Name of Board: ***The Taiwan Urology Specialist Board***

Date of Certificate: 11/08/1993

Licensure State/Number: The Taiwanese Urologic Board /No.000328

Date Issued: 11/08/1993– **11/07/2023**

Name of Board: ***The Taiwan Surgery Board***

Date of Certificate: 11/19/1993

Licensure State/Number: The Taiwanese Surgical Board/ No.003151

Date Issued: 11/29/1993– **11/28/2023**

Name of Board: ***Taiwan Medical Board- Licensed Physician in Taiwan***

Date of Certificate: 12/12/1989

Licensure State/Number: Taiwan Medical Board / No.018616

Date Issued: 12/12/1989– valid indefinitely

HONORS AND AWARDS (list Honor / Award name, institution and date received)

- 2008 Distinguished teaching staff, NTU
- 2006 Excellent teaching material producing, awarded by National Taiwan University Hospital (Practical guide to Urological Laparoscopy, in Chinese)
- 2004 MSD clinical research dissertation award, annual meeting of Taiwan Urological Association
- 2004 2nd Prize winner, Essay contest, annual meeting of Chinese Association of Endoscopic Surgeons
- 2003 International basic research dissertation award, annual meeting of Taiwan Urological Association
- 2003 1st Prize winner, essay contest, annual meeting of Chinese Association of Endoscopic Surgeons
- 2003 Live Demonstration of laparoscopic living donor nephrectomy in Manila, the Philippines
- 2003 Distinguished teaching staff, NTU
- 2001 Live Demonstration of laparoscopic living donor nephrectomy in Beijing,

China

- 2000 First laparoscopic living donor nephrectomy in Taiwan
- 1999 1st Prize winner of the Journal of Urological Assoc. ROC. scientific dissertation contest
- 1998 Distinguished teaching staff, NTU Hospital
- 1997 Prof. UF Hsieh essay Contest Winner of Urological Assoc. ROC annual meeting
- 1997 Best Abstract Award, the 10th "Transplant Fellows Workshop" of the American Society of Transplant Physician under an educational grant from Ortho Biotech
- 1993 1st Prize winner of the Journal of Urological Assoc. ROC. Scientific assay contest
- 1989 Annual Best Intern Award, NTU Hospital
- 1989 Special Honors of Surgical Internship, NTU Hospital
- 1989 Special Honors of Medical Graduates, Taipei Medical College

MEMBERSHIP IN PROFESSIONAL SOCIETIES (list Society, role and date received/ended) (i.e. Member, President, etc.)

- 1 AUA (the American Urological Association)/ North Central section of AUA/ Associate Member/ since Oct. 2011**
- 2 American Society of Transplant Surgeon (ASTS)/ regular member/ since 1999**
- 3 Society of Endourology/ regular member/since 2014**
- 4 The Society of Laparoendoscopic Surgeons/ regular member/since 2014**
- 5 American Medical Association/regular member/ since 2013**
- 6 Taiwanese Urological Society/ regular member, since 1993/ Trustee, 2008~2010
- 7 Formosan Medical Association/ regular member/ since 1990
- 8 Taiwanese Transplantation Society/ regular member, since 1997/ Trustee, 2005~2011
- 9 Taiwanese Society Endoscopic Surgery/ regular member, since 1999/ Secretary General, July 2002-2004/ Trustee, 2004~2010
- 10 Taiwanese Surgical Society/ regular member, since 1993
- 11 East Asian Society of EndoUrology (EASE)/ Member, since 2005/ Executive Board Members, Oct 2005- Jan 2009

PROFESSIONAL SERVICES

Editorial Boards

Journal: Transplantation Proceedings (SCI journal)

Dates of Service: 2007 – present

Advisory Groups (i.e. foundation services, etc.)

Title: Advisory Board Member, Center for Organ Recovery and Education (CORE;

Organ Procurement Organization for WV area)

Dates of Service: Jan, 2009 – April, 2010

Title: Member, Board of Directors, Taiwan Minimally Invasive Surgical Foundation,
Taipei, Taiwan

Dates of Service: 2000 – present

Title: Medical expense reviewing specialist for Taipei Office, National Health Insurance

Bureau, Taiwan

Dates of Service: 2003 – Jan, 2009

Title: Secretary General of the 3rd EASE (East Asian Society of EndoUrology) Congress

Dates: Oct 2005- Oct 2006

COMMITTEE SERVICE

National

Organization: Department of Health, Taiwan

Committee Name/Role: Advisory Committee for Imported Medical Devices/ committee member & consultant

Dates of Service: 2005 – Jan, 2009

Organization: Department of Health, Taiwan

Committee Name/Role: Center For Drug Evaluation, Taiwan/ reviewer & consultant

Dates of Service: 2005 – Jan, 2009

Cleveland Clinic

Committee Name/Role: Surgical Department Committee of CCF Avon Hospital

Date of Service: (2015 – present)

Cleveland Clinic Lerner College of Medicine

Committee Name/Role:

Date of Service: (start – end)

Committee service at current & previous institute (CAMC, WV, National Taiwan University and National Taiwan University Hospital)

Committee Name/Role: Urological Research Committee/Committee member

Date of Service: (Jan 2011 – Oct 2012)

Committee Name/Role: CAMC General Operation Room Surgical

Committee/Committee member

Date of Service: (July 2011 – Oct 2012)

Committee Name/Role: Organ/Tissue Transplantation Committee/Committee member

Date of Service: (Jan 2005 – Jan 2009)

Committee Name/Role: sub-committee of anti-inflammatory drugs of Drug Enlisting

Committee of NTUH/ member of sub-committee

Date of Service: (Aug 2006 – Jan 2009)

Committee Name/Role: Committee for experimental animals/ committee member

Date of Service: (Aug 2004 – July 2006; Aug 2008-Jan 2009)

Committee Name/Role: Advisory committee for laparoscopic equipments/instruments of NTUH operation room

Date of Service: (July 2005 – Jan 2009)

Committee Name/Role: Budget Committee of NTUH/ reviewing consultant

Date of Service: (Sept 2004 – Jan 2009)

Committee Name/Role: medical service fee committee/ committee member

Date of Service: (Sept 2004 – July 2006)

Educational Committees

Organization: Department of Urology, College of Medical, National Taiwan University, Taipei, Taiwan

Committee Name/Role: Curriculum Development for Medical Students/ Committee member and Program Director for Junior Medical Students

Date of Service: 2003 – Jan, 2009

Organization: Department of Urology, Charleston Area Medical Center (CAMC), Charleston, WV

Committee Name/Role: Teaching Faculty of CAMC D.O. Urological Residency Program

Date of Service: June 2010 – Dec. 2012

Organization: Department of Urology, Charleston Area Medical Center (CAMC), Charleston, WV

Committee Name/Role: Urological Research Steering Committee

Date of Service: June 2011 – Dec. 2012

TEACHING ACTIVITIES

Curriculum/Course Development (title, group, date, and time dedicated to activity)

1. Urological Clerkship for Medical Students, College of Medical, National Taiwan University, Taipei, Taiwan / Course Director, 2003 – Jan, 2009.
2. Laparoscopic Surgery Course for Urological Residents, Department of Urology, National Taiwan University Hospital, Taipei, Taiwan/ Main Mentor, 2000 – Jan, 2009, demonstrative courses and dictate courses

Presentations (including post-graduate and continuing medical education) (title, group, date)

1. Training System of Urologic Laparoscopic Surgery —Current Status in Taiwan, Japanese Urological Association, Annual Meeting; 2004/9/23, Tokyo, Japan
2. Comparison of preliminary results between laparoscopic radical prostatectomy & conventional retropubic radic prostatectomy, 7th Asia Pacific Congress of Endoscopic Surgery; 2005/8/17~19, Hong-Kong
3. Clipless needlescopic bilateral varix ligation 7th Asia Pacific Congress of Endoscopic Surgery; 2005/8/17~19, Hong-Kong

4. The preliminary experience of transperitoneal versus extraperitoneal laparoscopic radical prostatectomy 7th Asia Pacific Congress of Endoscopic Surgery; 2005/8/17~19, Hong-Kong
5. The length of renal vein is significantly elongated during laparoscopic donor nephrectomy by using Hemo-o-lok clips 7th Asia Pacific Congress of Endoscopic Surgery; 2005/8/17~19, Hong-Kong
6. Tips & Tricks– Taiwanese Experience of Laparoscopic Radical Prostatectomy, 2nd East Asian Society of Endourology,, 2005/10/21, Jeju/ Korea
7. Laparoscopic partial adrenalectomy with needlescopic instruments., 2006 World Congress of Endourology, 2006/8, Cleveland, OH, USA
8. A novel technique for a preperitoneal access under direct vision., 2006 World Congress of Endourology, 2006/8, Cleveland/Oh/US
9. Live demonstration of 1. extraperitoneal laparoscopic radical prostatectomy, 2. extraperitoneoscopic nephropexy. 3rd East Asian Society of Endourology,, 2006/9/15~16, Taipei
10. Individual Tailoring of Immunosuppression in transplant recipients. University of Texas, Health Science Center at Houston, The Medical School, Department of Surgery, Division of Immunology and Organ Transplantation, 30th Anniversary Retreat,2007/5/19, Houston, Tx, USA
11. Laparoscopic radical prostatectomy— The most critical step is nerve sparing., 4th East Asian Society of Endourology, 2007/12/13~15, Hong-Kong
12. Needlescopic adrenalectomy and partial adrenalectomy., Korean EndoUrology Society, 2007/10/22, Seoul/Korea
13. Sirolimus does not Absolutely Abolish the Occurrence/Recurrence of Urothelial Carcinoma in Renal Transplant Recipients, Congress of Asian Society of Transplantation, 2007/12/1-4, Pattaya/Thailand
14. Optimal C2 Concentration of Cyclosporin Corrected with Good Efficacy and Safety in Asian Kidney Transplant Recipients. Congress of Asian Society of Transplantation, 2007/12/1-4, Pattaya/Thailand
15. Intermediate-Term Oncological Outcomes of Hand-Assisted Laparoscopic Versus Open Bilateral Nephroureterectomies for Dialysis and Kidney Transplant Patients with Upper Urinary Tract Urothelial Carcinoma, Congress of Asian Society of Transplantation, 2007/12/1-4, Pattaya/Thailand
16. Laparoscopic Radical Prostatectomy- Taiwan Experience. Hong-Kong Chinese University. 2008/11/6-7. Hong-Kong.
17. Retroperitoneoscopic LESS nephrectomy. VCU. 2010/11/18, Richmond, VA
18. 03/18/11 MCV (VCU), Richmond, VA. Bunt & Hackler Symposium. Topic: Needlescopic versus LESS adrenalectomy. (regional)
19. 04/29/11 Charleston, WV Urology conference 2011. Deflux implant for managing urinary incontinence after radical prostatectomy. (regional)
20. 06/10/11 CAMC, MM, Resident Teaching. Laparoscopic Adrenalectomy
21. 11/04/11 University of Miami/ Applied Medical, Miami, Florida, Urology GelPort/ GelPoint workshop
22. 11/25/11 Asia Pacific Congress of Hypertension (8th APCH) 2011, Moderator of Symposium 8 - Renaissance in Primary Aldosteronism.

Speech topic: Beyond Laparoscopic Adrenalectomy: Needlescopic and LESS Adrenalectomy. Taipei, Taiwan.

23. 11/29/11 East Asian Society of EndoUrology (8th EASE) 2011, Topic: Tips and tricks of LESS surgery. Kyoto, Japan.
24. 11/30/11 World Congress of EndoUrology and ESWL (WCE) 2011, Moderator of LESS/Robotic surgery oral presentation. Kyoto, Japan.
25. 11/30/11 World Congress of EndoUrology and ESWL (WCE) 2011, Presentation: Feasibility, Advantages and Challenges of Retroperitoneoscopic LESS Nephrectomy Kyoto, Japan.
26. 11/30/11 World Congress of EndoUrology and ESWL (WCE) 2011, Why insisting on “single incision”—‘Hybrid’ use of single-site apparatus in laparoscopic partial nephrectomy- change of mind-set. Kyoto, Japan.
27. 11/30/11 World Congress of EndoUrology and ESWL (WCE) 2011, Safety and Technical Considerations of Laparoendoscopic Single Site (LESS) Live Donor Nephrectomy in a Small-volume Transplant Center. Kyoto, Japan.
28. 11/30/11 World Congress of EndoUrology and ESWL (WCE) 2011, Simultaneous LESS Radical Nephrectomy and Open Non-ischemic Partial Nephrectomy to Treat Concomitant RCCs in Native and Transplant Kidneys. Kyoto, Japan.
29. 12/1/11 WCE 2011, Video Demonstration Panelist. Topic: LESS surgery. Kyoto, Japan.
30. 5/19/12 Am Urological Assoc. 2012 annual meeting. Oral presentation. Adrenalectomy is superior to spiro lactone medical therapy for patients with aldosterone producing adenoma in regard to improving proteinuria and resolving hyperfiltration renal damage.
31. 5/19/12 Am Urological Assoc. 2012 annual meeting Oral presentation. Cost-effective and feasible screening of primary aldosteronism with potassium excretion capacity/ body mass index ratio
32. June 2012 Serial educational lectures to Urological Residents at CAMC, WV regarding Kidney Transplantation Updates
33. 5/8/2013 Am Urological Assoc. 2013 annual meeting Podium presentation. The Benefits of Machine Perfusion of Standard-Criteria Deceased Donor Kidneys at a Geographically Remote Transplant Center
34. 5/8/2013 Am Urological Assoc. 2013 annual meeting Poster presentation. Little Rocks with Big Bites: Sepsis and/or Acute Kidney Injury Caused by Small Stones.
35. 10/24/2013 World Congress of EndoUrology & SWL 2013 (New Orleans). Manifold Pure Uric Acid Bladder Stones: Presentation and Endoscopic Management
36. 10/25/2013 World Congress of EndoUrology & SWL 2013 (New Orleans). Step-wise ‘Exit Strategies’ during Laparoendoscopic Single Site Live Donor Nephrectomy— Experience Sharing.
37. 10/25/2013 World Congress of EndoUrology & SWL 2013 (New Orleans). Double-crossing Technique Facilitates Exposure and Dissection of Adrenal Tumors and/or Upper Kidneys during Pure Laparoendoscopic Single Site Surgery (LESS)
38. 11/23/2013 2013 Asia Pacific Congress of Endoscopic and Laparoscopic Surgery, Taipei~ Invited Speech in Urological Section “Zen of Urological LESS Surgery”

39. 4/4/2014 CCF GUKI Ambulatory Urological Surgery symposium (Panelist, panel discussion, management of renal tumor, GUKI, CCF, Cleveland)
40. 9/4/2014 World Congress of EndoUrology and SWL 2014 Annual Meeting (Panelist in panel discussion of controversy in managing upper tract urothelial carcinoma, Taipei, Taiwan)
41. 9/5/2014 World Congress of EndoUrology and SWL 2014 Annual Meeting (Video presentation of right laparoendoscopic single site living donor nephrectomy, Taipei, Taiwan)
42. 10/10/2014 6th GUKI-CCF Robotic kidney surgery symposium (GUKI, CCF, Cleveland)
43. 2015 Fairview Hospital Tumor Board CME case presentation (twice per month)
44. 2016 CCF GUKI Ambulatory Urological Surgery symposium (Panelist, panel discussion, management of renal tumor, GUKI, CCF, Cleveland)
45. 8/20/2016 Taiwanese Urological Assoc. Annual Meeting, Limitations of endoscopic treatment for UTUC , Taipei, Taiwan
46. 2016 Fairview Hospital Tumor Board CME case presentation (twice per month)
47. 2017 Fairview Hospital Tumor Board CME case presentation (twice per month)
48. 3/27/2017 Lecture to GUKI urological residents regarding ‘Obtaining access and access-related complications in laparoscopic/robotic surgery’.
49. 10/12/2017 Avon Hospital Medicine Grand Round: Demystifying common urological problems—elevated PSA, complex renal cysts, and microscopic hematuria

Visiting Professorships (title, group, date)

1. Visiting Professor, University of Texas, Health Science Center at Houston, The Medical School, Department of Surgery, Division of Immunology and Organ Transplantation, 30th Anniversary Retreat, May 18~ May 20, 2007
2. Visiting Professor, Capitol Medical Center, Queson City, in Manila, the Philippines for Live Demonstration of laparoscopic living donor nephrectomy, 2003
3. Visiting Professor, 309 Military Hospital/Medical School, Beijing, China for teaching “Live Demonstration of laparoscopic living donor nephrectomy” Dec. 2001
4. Visiting Professor, VCU, Richmond, VA. “ Retroperitoneoscopic LESS nephrectomy”. 2010/11/18

Trainees / Mentees

Colleagues Mentees (for urological laparoscopic surgery)

1. **Bashir R. Sankari, MD.** April 2010~ June 2012 at Charleston Area Medical Center (CAMC), Charleston, WV. Current position: Chairman of Surgical Services, Cleveland Clinic Abu Dhabi (CCAD), UAE
2. **Ryan Fitzwater, DO.** May 2010~ Nov 2012 at CAMC, Charleston, WV. Current position: Staff Urologist at CAMC.

Graduate/post-graduate students:

1. **Ssu-Chia Lin, MS**, Graduate School of Pharmacy, College of Medicine, National Taiwan University, Graduated in Jan 2007.
2. **Ping-Chiang Lyu, PhD**. Graduate School of Pharmacy, College of Medicine, National Taiwan University, Graduated in 2009.
3. **Chun-Hou Liao, MD.,MS**. Graduate school of College of Medicine, National Taiwan University; and Visiting staff of Department of Urology. Cardinal Tien Hospital. No. 362, Chung Cheng Rd., Hsintien Taipei County 23137 Taiwan. Graduated in 2009.

Clinical Trainees:

1. **Faith L. Payne, DO**. Staff Urologist at Raleigh General Hospital, Beckley, WV
2. **Shiu-Dong Chung, MD**. Staff Surgeon, Division of Urology, Departemtn of Surgery, Far Eastern Memorial Hospital, Ban Ciao, Taipei, Taiwan, Tel: 886-2-89667000 ext 1313, Fax: 886-2-89665567; email: chungshiodong@gmail.com
3. **Huai-Ching Tai, MD.**, Title: Staff of Department of Urology. National Taiwan University Hospital, Taipei, Taiwan; Tel:+886-2-23123456 ext 2135, Fax: +886-2-23219145email: taihuai48@hotmail.com
4. **Shou-Meng Wang, MD**. Title: visiting staff of Department of Urology, National Taiwan University Hospital, Taipei, Taiwan. Tel:+886-2-23123456 ext 2135, Fax: +886-2-23219145, email: dturo62@yahoo.com.tw
5. **Chao-Yuan Huang, MD**. Title: visiting staff of Department of Urology, National Taiwan University Hospital, Taipei, Taiwan. Tel:+886-2-23123456 ext 2135, Fax: +886-2-23219145, email: cyl540909@yahoo.com.tw
6. **Kuo-How Huang, MD**. Title: visiting staff of Department of Urology, National Taiwan University Hospital, Taipei, Taiwan. Tel:+886-2-23123456 ext 2135, Fax: +886-2-23219145, email: harry@ha.mc.ntu.edu.tw

Other previous trainees sponsored, with their present position/title:

| Wen-Tsang Hsu, MD | KeeLung Hospital, Department of Health, Attending physician |
| Han-Ching Wu, MD | National Taiwan University Hospital, Yun-Lin Branch, |

	Attending physician
Yuan-Lung Yang, MD	Saint Mary's Hospital LoTong, Attending physician
Yen-Ming Liu, MD	National Yang-Ming University Hospital, Attending physician
Chung-You Tsai, MD	KeeLung Hospital, Department of Health, The Executive Yuan, Attending physician
Wai-Yan Wong, MD	Ten-Chen Hospital, Attending physician
Teng-Kai Yang, MD	Cardinal Tien Hospital, Attending physician
Shang-Shainn Tsai, MD	Cathay General Hospital, Attending physician
Shi-Wei Huang, MD	St. Martin De Porres Hospital, Attending physician
Fang-Sheng Tsai, MD	TaoYuan General Hospital, Department of Health, The Executive Yuan, Chief
Chun-Hsien Wu, MD	Yuan's General Hospital, Attending physician
Yao-Chou Tsai, MD	Buddhist Tzu-Chi General Hospital, Taipei Branch, Attending physician
Po-Chien Huang, MD	Min-Sheng Hospital, Chief
Hung-Ju Yang, MD	Taipei Medical University-Shuang Ho Hospital, Attending physician
Yuan-Ju Lee, MD	National Taiwan University Hospital, Attending physician
Chia-Chang Wu, MD	Taipei Medical University-Shuang Ho Hospital, Attending physician
I-Ching Lee, MD	West Garden Hospital, Attending physician
Yi-Hsin Chang, MD	Ten-Chen Hospital, Attending physician
Chung-Shin Chen, MD	TaoYuan General Hospital, Department of Health, The Executive Yuan, Attending physician
Shang-Jen Chang, MD	Buddhist Tzu-Chi General Hospital, Taipei Branch, Attending physician
Chun-Kai Wang, MD	Taiwan Adventist Hospital, Attending physician
Heng-Li Shen, MD	Taipei City Hospital, Attending physician
Chen-Wei Wang, MD	Taipei Medical University Hospital, Attending physician

Teaching Material Produced (title, date developed)

1. Practical Guide to Urological Laparoscopic Surgery (Solo-author and Ed.; Book in Mandarin, published by I-Shen Co. in 2005)
2. Shih-Chieh Chueh, Thomas Johnston, and Barry Kahan. Dialysis Procedures for Patients with End-Stage Renal Disease. In Atlas of Ambulatory Surgery. Frank G Moody, ed. 1997. WB Saunders Co. Chapter 7, pp76-93.
3. Chueh SCJ, Bashir BR. Book chapter entitled "Novel Renal Transplant-Related Surgical Approaches in the 21st Century" in 'Understanding the Complexities of Kidney Transplantation', ISBN 978-953-307-819-9, Ortiz J and Andre J eds.

Teaching Administration (e.g. residency directorship)

1. Course Director of Urological Clerkship for Medical Students, College of Medical, National Taiwan University, Taipei, Taiwan /, 2003 – Jan, 2009.

Teaching Activities (e.g. lectures to trainees, teaching rotations) (activity, time spent, date)

1. Teaching Clinic for Urological Clerkship for Medical Students, College of Medical, National Taiwan University, Taipei, Taiwan / 2008 – Jan, 2009, 4 hours per week
2. Laparoscopic Surgery Course for Urological Residents, Department of Urology, National Taiwan University Hospital, Taipei, Taiwan/ Main Mentor, 2000 – Jan, 2009, demonstrative courses, ~12 hours per week, dictate course, 4-8 hrs per years
3. Annual Laparoscopic Surgery Courses for Practicing Urologists, Taiwan/ Main or Associate Mentor, 2000 – 2008, dictate course, 2-8 hrs per years, Hand-on Lab demonstration, 4 hours per year
4. Update on Kidney Transplantation and Immunosuppression for Urological Residents, Department of Urology, National Taiwan University Hospital, Taipei, Taiwan/ Associate Mentor, June 1997 – Jan, 2009, demonstrative courses, ~4-6 hours per month, dictate course, 4 hrs per years
5. Update on Kidney Transplantation and Immunosuppression for OR Nurses and Transplant Coordinators, National Taiwan University Hospital, Taipei, Taiwan/ Associate Mentor, June 1997 – 2008, dictate course, 4 hrs per years
6. Seminars with Master or PhD students; co-mentoring with Dr. JH Guh: about 4 hours per semester
7. Introduction to Urology: obstructive uropathy. Lecture to 4th-year/7yr medical students. 1 hour per year, 2000~2008
8. Clinical aspect of urological anatomy—incorporated anatomical curriculum, Lecture to 3rd-year/7yr medical students. 1 hour per year, 2007-2008.
9. (9-1) Common concepts in urologic diseases and care; (9-2) Introduction to modern urologic surgery— elective up-to-date curriculum for non-medical college students at National Taiwan University. 2 hours per year, 2000-2008.
10. 3/27/2017 Lecture to GUKI urological residents regarding ‘Obtaining access and access-related complications in laparoscopic/robotic surgery’.
11. 10/12/2017 Avon Hospital Medicine Grand Round (teaching to staff and NP/PA of other specialties) : Demystifying common urological problems—elevated PSA, complex renal cysts, and microscopic hematuria

RESEARCH SUPPORT (list from current to past) (total direct costs awarded)

1. Granting agency: National Science Council—Taiwan.
 Title of project: In-depth study of tumor markers for renal cell carcinoma with quality-controlled renal specimen (NSC 96-2314-B-002-167)
 Role: principal investigator, percent of effort: 30%,
 Cost awarded: ~USD 30000
 Dates inclusive: Aug, 2007~July, 2008

2. Granting agency: National Science Council—Taiwan.
 Title of project: Tumor markers of renal cell carcinoma and immunotherapy—screening tumor markers with proteomic and genomic technology
 Role: co-principal investigator, percent of effort: 15%,
 Cost awarded: ~USD 100000
 Dates inclusive: Aug, 2005~July, 2008

3. Granting agency: National Science Council—Taiwan.

Title of project: Further purification and identification of polypeptides for renal cell carcinoma by cationic protein chip analysis (NSC 95-2314-B-002-196)

Role: principal investigator, percent of effort: 30%,

Cost awarded: ~USD 28000

Dates inclusive: Aug, 2006~July, 2007

4. Granting agency: National Science Council—Taiwan.

Title of project: Screening of tumor markers for renal cell carcinoma by SELDI-TOF spectrum analysis (NSC 93/94-2314-B-002-157-)

Role: principal investigator, percent of effort: 30%,

Cost awarded: ~USD 55000

Dates inclusive: Aug, 2004~July, 2006

5. Granting agency: National Science Council—Taiwan.

Title of project: Identification of specific tumor markers for renal cell carcinoma with Proteomic study (NSC92-2314-B-002-337-)

Role: principal investigator, percent of effort: 30%,

Cost awarded: ~USD 16000

Dates inclusive: Aug, 2003~July, 2004

6. Granting agency: National Science Council—Taiwan.

Title of project: A non-nephrotoxic immunosuppressive regimen – an animal model (NSC 91-2314-B-002-382-)

Role: principal investigator, percent of effort: 30%,

Cost awarded: ~USD 24000

Dates inclusive: Aug, 2002~July, 2003

7. Granting agency: National Science Council—Taiwan.

Title of project: Application of curcumin in transplantation medicine—effects on mixed lymphocyte culture, treatment of acute rejection & prevention of chronic rejection, mechanism of inducing long-term rat heterotopic cardiac transplantation, and its effect in preventing tissue injury

Role: principal investigator, percent of effort: 30%,

Cost awarded: ~USD 62500

Dates inclusive: Aug, 1999~July, 2002

8. Granting agency: National Science Council—Taiwan.

Title of project: Application of telomerase activity in screening or followup patients with transitional cell carcinoma

Role: co-principal investigator, percent of effort: 25%,

Cost awarded: ~USD 15000

Dates inclusive: Aug, 1998~July, 1999

9. Granting agency: National Science Council—Taiwan.

Title of project: Application of FTY720 in treating acute and/or chronic rejection—animal study model

Role: principal investigator, percent of effort: 30%,
Cost awarded: ~USD 48000
Dates inclusive: Aug, 1997~July, 1999

10. Granting agency: National Science Council—Taiwan.
Title of project: Application of telomerase activity in screening or followup patients with transitional cell carcinoma
Role: co-principal investigator, percent of effort: 25%,
Cost awarded: ~USD 15000
Dates inclusive: Aug, 1998~July, 1999
