

2019 International Symposium on Respiratory Medicine

Time : June 15 ,2019 AM 9:00~17:00

Location : 4F, Conference Hall, Front Building, Taipei Medical University, Taiwan (臺北醫學大學誠樸廳)

Time	Topic	Speaker
09:00~09:20	Welcome Remark (& group photo)	
	Chien-Huang Lin, PhD., President, Taipei Medical University	
	Han-Pin Kou, MD., PhD., Dean, Medical School, Taipei Medical University	
Moderator : Han-Pin Kuo, MD., Ph.D, Dean, College of Medicine, TMU		
09:20~10:10	Personal pollution exposure across biological length scales	Kian-Fan, Chung MD., PhD. Professor of Respiratory Medicine & Head of Experimental Studies Medicine National Heart & Lung Institute, Imperial College London
10:10~10:20	Coffee Break	
10:20~11:10	Physicochemical Characterization of Particulate Matter and Asthma	Hsiao-Chi Chuang, PhD. Associate Professor ,School of Respiratory Therapy, College of Medicine, TMU
11:10~12:00	Severe Asthma & Epithelial cell Dysfunction	Han-Pin Kuo, MD., PhD. Dean, College of Medicine, TMU
12:00~13:00	Lunch Break	
Moderator : Kang-Yu Lee, MD., PhD Director, International Ph.D. Program for Cell Therapy and Regeneration Medicine, College of Medicine		
13:00~13:50	Innovative immunotherapies to treat cancers	Chien-Fu, Hung Ph.D. Associate Professor, Department of Pathology, The Johns Hopkins School of Medicine
13:50~14:40	The landscape of target therapy for NSCLC with driver gene mutation in 2019	Jin-Yuan Shih MD., PhD. Deputy Director, Department of Medical Research, National Taiwan University Hospital
14:40~15:00	Coffee Break	
15:00~15:50	Molecular biomarkers and lung cancer management	Shih-Hsin Hsiao, MD., PhD. Attending Physicians, Chest Medicine , TMUH
15:50~16:40	Immune alteration in lung cancer	Po-Hao Feng, MD., PhD. Attending Physicians, Chest Medicine , SHH
16:40~17:00	General Discussion & Close remark	

2019 International Symposium on Respiratory Medicine —Work shop

Time : June 16, 2019 AM8:50~12:30

Location : First floor of the College of interdisciplinary studies, TMU (Opening location)

****活動有人數限制，請盡速報名以免向隅。**

時間	Interventional Bronchoscopy 臺北醫學大學附設醫院 第三醫療大樓 6 樓聯合檢查中心 會議室 Speaker 周俊良醫師 Moderator 郭漢彬院長	Pulmonary Rehabilitation in COPD workshop 臺北醫學大學 跨領域學院 1 樓	
08:50~09:00	開幕式 Registration		
09:00~09:20	Introduction to complete “medical” mediastinoscopy (EBUS-TBNA + EUS-B-FNA) with elastography	09:10-09:40	Introduction of 6MWT in pulmonary rehabilitation
			Speaker 陳美娟醫師 Moderator 李岡遠醫師
09:20~09:25	Discussion	09:40-10:20	Group discussion 1
09:26~09:45	Cryotherapy beyond cryobiopsy	10:20-10:30	Coffee Break
09:45~09:50	Discussion	10:30-11:10	Group discussion 2
09:50~10:10	Tracheobronchial “Y” Stent insertion	11:10-11:50	Group discussion 3
10:10~10:30	Coffee Break		
10:30~12:00	Hands-on Workshop --EBUS-TBNA + EUS-B-FNA --Cryotherapy + Stent EBUS balloon attachment; TBNA needle handling, Specimen collection by Technician	Learning from PR case: Respiratory muscle training 張薰云呼吸治療師/何淑娟老師	
		Learning from PR case: Negative pressure ventilator 亓念蕃呼吸治療師/徐上富醫師	
		Learning from PR case: PEP therapy 李雅婷呼吸治療師/曾建華醫師	
**分為 ABC 三組同時討論，每 40 分鐘調換一組			
12:00~	閉幕式 Closing		

****著重分析與應用**
